Dear Customers:

I am pleased to announce that effective July 1, 2011, the Clerk's Office will offer two new services via our web site:

Subscription Service to view *probate and family court documents* along with all other documents recorded in the Official Records of Hernando County. These are the images that are currently restricted from internet viewing. The cost of this service is \$150.00 annually for one user (\$50 for each additional user per year).

Escrow/Billing Accounts: Access and view your escrow/billing account activity and balances on line. There is no charge for this service.

By accessing these additional services from the privacy of your own office you will reduce the time and costs associated with the many trips you and your staff must make to view the information in our office.

If you are interested in the subscription service you may go to our website at www.hernandoclerk.com and download the "Subscription Agreement." If you are interested in accessing your escrow/billing account on-line you will need to download and complete an updated "Escrow Account Agreement." You will then be contacted and provided with a log-in/password to access the above information via links on our website.

Please return the completed form(s) to:
Hernando County Clerk of Court
Recording Division RM#362
Brooksville FL. 34601

If you have any questions about either of these services you may contact Patricia (Trish) Galbraith or Jo Ann Pilgrim at (352) 540-6768.

Sincerely,

Karen Nicolai
