

Don Barbee, Jr.

Clerk of Circuit Court & Comptroller - Hernando County
20 N. Main Street, Brooksville, FL 34601 - (352) 754-4201

EXCITING NEWS FOR MY FELLOW HERNANDO BAR MEMBERS!!

Effective Monday, February 8, 2016, we will officially be paperless in all court divisions in Hernando County.* It has been a long and arduous process and my team and I greatly appreciate the assistance of our justice partners for making this a reality. We also appreciate all of your patience and support through all of the Supreme Court mandates these last couple years.

Access to court files will be available through the e-portal (if they are your cases), the online access through my website, or the public access computers located in each of my court divisions. Any paper documents submitted to my office will go into one of three piles – recycle, shred, or “required by law to retain.” The first two piles will be kept for 3-5 business days and then disposed. The third pile will be retained pursuant to the Rules of Judicial Administration.

If you have any questions at all my team is ready and willing to assist.

* The Probate Division will continue to maintain paper files until a later date.
